SIPHON Technical Forum

2016-07-13 - Aled Treharne - [0 Comments](#) - in [General Announcements](#)

Thanks to all of our customers who attended the [SIPHON Technical and User Forum](#) in Legoland last month. It was great to see so many of you there and there was some fantastic content from our vendors as well as key technical and commercial member of the SIPHON team.

The slides for the Technical Forum have now been uploaded to this site and are available in the [downloads section](#).

If you're having trouble accessing them or downloading them, please let us know.

Thanks and we look forward to seeing you at next year's Technical Forum!
